No. 4225.

Fort William, the 6th August 1861.

Under the provision of Section CCCLXXXV. of Act No. VIII. of 1859, and Section III. of Act No. IV. of 1860, His Excellency the Governor General in Council is pleased to notify that, from 1st January 1862, Act VIII. of 1859 is extended

to the Province of Oudh, subject to the following exceptions and provisos:—

1. *Section III.* shall be subject to the following proviso:—

Provided that the Judicial Commissioner or any other Court exercising any appellate jurisdiction within the Province of Oudh may at any time within one year from the time of the passing or execution of any judgment or order by any Court subordinate to the said Appellate Court, call for such judgment or proceedings without any regular appeal or application for review having been preferred against the same, and may, if he, or it, shall see sufficient grounds, revise and alter or reverse or confirm the same. But that in such case, before revising, altering, or reversing any one judgment, or order, the said Judicial Commissioner, or it, shall cause the same notice to be given to the party in whose favor the said judgment, or order, was pronounced; and the same opportunity to such party to be heard in support thereof, and the same proceedings to be taken as if a Memorandum of appeal had been filed by the party aggrieved thereby.

2. *Section XVII.* is excepted, and the term recognized Agent is defined as follows, viz., a permanent servant, partner, relation or friend, whom the Court may admit as a fit person to represent a party, and especially persons holding Powers of Attorney from absent parties, persons carrying on business on behalf of Bankers and Traders, Managing Agents of Landholders, nearest male relations of women, and persons ex-officio authorised to act for Government, or for any Prince or Chief.

3. *Section CXI.* shall be subject to the following limitation: It shall not be obligatory on the Court to decide *ex parte* in the absence of Defendant, but the Court may proceed to compel his attendance under the following Rule, being the Rule now in force in Oudh:—

Rule. If the Defendant does not appear, it shall be at the discretion of the Court to issue a Warrant to arrest him and detain him till another

day appointed for the hearing of the case, and to attach his property.

4. *Section CLXXII.*—So much of this Section as requires that the whole of the evidence shall be taken down in writing in the language in ordinary use is excepted, and the record made by the hand of the Judge under the following Rule, being the Rule now in force in Oudh, shall be taken as a record of the evidence:—

Rule.—An intelligible note of the essential points of the evidence of each witness is to be taken at the time and in the course of oral examination by the Officer, who tries the case, in his own language. The notes must be legible, complete, and properly arranged, must attest the presence of the witness at the time, and mark every postponement and change of time and scene, so that their *bond fide* character may be apparent. Every essential point must be noted, but mere surplusage may be omitted. These notes shall be filed and shall form part of the record of the case. Provided that in cases tried by a European Officer, who has not passed the examination in the Native languages prescribed for Assistant Commissioners exercising special powers, the evidence of witnesses shall also be recorded, at length, in their own language.

5. *Section CCI.*—So much of this Section as renders land liable to sale in execution of a decree will be subject to the restrictions on the sale of land prescribed by the following Rule, being the local Rule now in force in Oudh:—

Rule. No Ancestral property in land shall be sold in satisfaction of a decree without the sanction of the Judicial Commissioner, and, before acquired property in land shall be so sold, the permission of the Divisional Commissioner shall be obtained.

FINANCIAL DEPARTMENT.

No. 13981.

FROM THE SECRETARY TO THE GOVT. OF INDIA,
FINANCIAL DEPARTMENT,

TO THE PRESIDENT, MILITARY FINANCE DEPT.,
FORT WILLIAM.

SIR,—I AM directed to acknowledge the receipt of your letter No. 1234A., dated the 8th instant, submitting, for the consideration of His Excellency the Governor General in Council, how far changes shall be introduced into the Estimates of Departments without previous permission, and suggesting, for adoption, the course prescribed in paragraphs 15 and 16 of the Report of the Military Finance Commissioners, No. 7 of the 15th June 1860.

"15. Heads of Departments will have every opportunity of showing means of diminishing expenditure in these Estimates, which however will afford no scope for creating extra offices, adding further emoluments to existing ones, nor even for making organic departmental changes, although not affecting the total expenditure of the Department. All such desired changes should invariably be brought forward in time for full discussion before the preparation of the Estimate, in order to obtain

the sanction of the constituted Controlling Authorities, and in case of changes having been sanctioned since the preparation of the previous year's Estimate the authority under which sanctioned should be referred to in that which includes them for the first time."

"16. No definite Rule can at present be suggested as to the extent of investigating that each projected alteration should undergo, which must depend on the importance of the measure; but whilst considering that facilities should be given for making improvements, it appears to be obvious that all prominent changes such as those affecting the pay, pension or rations of Soldiers, or the creation of new staff appointments, should previously receive the definite sanction of the Government of India and sometimes that of the Home Government. On the other hand changes of minor importance connected with Departmental Establishments may be safely left to the decision of the Local Governments, and by them in some instances delegated to Heads of Departments, but all such changes whether improvement or otherwise, as also the reasons for making them, should invariably be placed on record at the precise time when made, in order to admit of a judgment being hereafter formed as to how far the anticipated effects have been realized."

2. In reply, I am to state that His Excellency in Council approves of the Rule proposed by you, and is pleased to sanction its adoption, with the exception of the word "organic" used therein, which conveys no distinct meaning, and should therefore be omitted.

3. I am to add that Heads of Departments are already charged on their Official responsibility not to make any changes in the Budget Estimates without the sanction of the Local Governments. The correspondence authorizing all changes should be quoted (copies accompanying the Estimates), and all changes of any description specially brought to notice and fully explained.

4. With reference to your remark that "it is of great importance to know what is intended to be the scale of the year,* and that you would therefore urge that the Establishments which are expected to be maintained be those of the last month of the ensuing year, and all savings or increases be shown separately, so that the exact payment in each month may be clearly seen," I am to observe that His Excellency in Council considers the course proposed as likely to lead to confusion, and tend to make the Estimates less trustworthy than under the Rules now in force.

5. The Budget and Audit Committee, in paragraph 49 of their Report, No. 6, dated 27th October 1860, observe that "with respect to the manner in which the sums to be entered should be calculated, the object is to secure as correct a Return as possible of the scale of Receipts and Expenditure of the year. Every head of receipt must be examined with reference to the known expectations of Government, the sums given in the Rent Rolls and the average receipts on account of former years must be looked to, the circumstances likely to lead to an increase or decrease of these receipts must be carefully weighed, and as accurate a calculation as possible of the eventual out-turn must then be made. In estimating the expenditure again, the sums for which sanction has actually been given by Government should, in the first instance, be ascertained; the probable amount that may be saved by temporary vacancies in appointments, or by absence or other causes, should then be estimated, and the total amount of such savings entered as a deduction from the charge of the year. The charges under each head should invariably be placed at the lowest amount which may be deemed sufficient for carrying on the service of the Government." If in addition to

these calculations the sums are added, which, though not already sanctioned by Government, it is certain must be sanctioned in the course of the year, the *scale of the year* will, in the opinion of His Excellency the Governor General in Council, be as accurately estimated as it is possible to be.

6. These Rules are accordingly prescribed for the guidance of the Military Department.

I have, &c.,
(Sd.) C. H. LUSHINGTON,
Secy. to the Govt. of India.

COUNCIL CHAMBER,

No. 3854A.

Camp Kylar, the 18th December 1861.

With a view to facilitate the operation of the Banking System lately introduced into the Public Works Department in these Provinces, and to ensure uniformity, the following Rules are published for observance by Officers of the Public Works Department.

2. These Rules which have been modified from those in force in the Commissariat Department, as published at pages 1337-1341 of the Allahabad Gazette of 1861, will have effect from the 1st May next:—

Rules.

1. Cheques will be drawn as required by Executive Officers, upon the Officer in charge of the

Civil Treasury against the amount of credit assigned to them, respectively, by the Chief Engineer in each month. The Rules hitherto existing in regard to not exceeding, without special sanction, the amount of the letter of credit issued in any one month will continue to hold good.

2. No cheques shall be issued after the hour fixed by the Rules of the several Treasuries for closing payments. The daily letters of advice duly filled up should accompany the last cheque drawn, or be despatched to the Treasury before the hour for closing.

3. The accompanying forms of cheque and daily letters of advice are circulated, in order that Executive Officers may have a sufficient number

of each lithographed or printed for use. No deviation from these forms is to be permitted without the sanction of the Chief Engineer.

4. All payments requiring to be made by an Executive Officer in excess of Rupees 25 shall be made by cheques.

5. Large sums, which it is necessary for the Executive Officer to disburse under his immediate supervision, such as the Pay of Establishments, shall be drawn daily, as required, by cheques.

6. With the exception of the small sum that may be necessary to meet petty demands on an Executive Officer, no Cash shall be drawn beyond the amount to be paid away on each day.

7. If an Executive Officer finds it necessary to retain cash in hand for petty demands under Rupees 25 he can do so, but must make his own arrangements for the safe custody of such cash. It is not advisable, however, that a larger sum

than Rupees 500 should be thus retained in hand at any one time.

8. Each Executive Officer shall transmit daily to the Treasury on which he draws, a letter of advice showing all the cheques issued during the day.

9. Executive Officers will furnish Treasury Officers with a consolidated receipt in duplicate at the close of the month for the aggregate amount of cheques drawn during the month, whether paid or not, against each letter of credit. The original receipts should be forwarded by Treasury Officers with their Cash Accounts as vouchers, the duplicate receipts and the cheques being retained for record.

10. It is not intended that these Rules shall affect arrangements already made by any Executive Officers with Banks, nor that at Stations where there are no Civil Treasuries they shall take effect until Branch Treasuries may be established.

HOME DEPARTMENT.

No. 16.

Fort William, the 3rd January 1862.

Notification.—Whereas it is declared by the Ordinance passed by the Governor General of India on the 27th of December 1861, that until the Governor General in Council shall otherwise order, it shall not be lawful for any person to export Saltpetre from any part of Her Majesty's Territories in India, except in a British Vessel bound either to the Port of London or to the Port of Liverpool; and whereas it appears from the instructions since received from Her Majesty's Government that the prohibition to export Saltpetre from India so far as regards British Vessels is to apply only to such Vessels when bound to Ports not within the United Kingdom, the Governor General in Council is pleased to order accordingly that it shall be lawful to export Saltpetre on British Vessels bound to any Port of the United Kingdom anything in the said Ordinance notwithstanding.

By Order of the Governor General in Council,

W. GREY,
Secy. to the Govt. of India.

LEGISLATIVE.

The 3rd January 1862.

The following Ordinance, passed by the Governor General of India on this date, is promulgated for general information :—

AN ORDINANCE to prohibit the exportation of Saltpetre, except in British Vessels bound to the United Kingdom, passed by the Governor General of India, under the provisions of 24 and 25 Vic., cap. 87, on the 3rd of January 1862.

WHEREAS in a Despatch from the Secretary of State for India, dated the 3rd of December 1861,

the instructions of Her Majesty's Government have been received by the Governor General in Council to take immediate measures for preventing the exportation of Saltpetre from India, except in British Vessels bound for the Ports of the United Kingdom, and to cause any Saltpetre which previously to the receipt and contrary to the conditions of the said instructions may have been placed on board Vessels still in Port to be re-landed; and whereas in consequence of the said instructions the Governor General in Council has this day ordered that it shall be lawful to export Saltpetre on British Vessels bound to any Port of the United Kingdom, anything in the Ordinance of the Governor General of the 27th of December 1861 notwithstanding; and whereas it is expedient to make further provision for giving effect to the instructions now received from Her Majesty's Government; It is therefore ordered as follows :—

I. Until the Governor General in Council shall otherwise order, it shall not be lawful to export Saltpetre from any part of Her Majesty's Territories in India, except in a British Vessel bound to a Port of the United Kingdom.

II. All Saltpetre which previously to the promulgation of this Ordinance may have been placed for exportation on any Vessel still being within a Port of Her Majesty's Territories in India, and not being a British Vessel bound for a Port of the United Kingdom, shall be re-landed.

III. No Collector of Customs or other Officer shall grant a port clearance to any Vessel having on board Saltpetre, other than a British Vessel bound for the United Kingdom.

IV. If any person shall attempt to export Saltpetre contrary to the provisions of this Ordinance, the same shall be seized and confiscated.

V. Any Custom House Officer may without warrant seize Saltpetre liable to confiscation under this Ordinance.

The issue of Government Promissory Notes provided for by Act XIX. of 1861, shall take effect from and after the aforesaid date.

The terms on which the business of the General Treasury and the Government Paper Currency shall be conducted by the Bank of Bengal, are contained in the following:—

AGREEMENT WITH THE BANK OF BENGAL.

MEMORANDUM of Agreement made and entered into this twenty-sixth day of September in the year of our Lord one thousand eight hundred and sixty one, between the Secretary of State in Council for India of the one part and the Bank of Bengal of the other part.

Whereas the Governor General of India in Council, under and by virtue of the provisions of Act VI. of 1839 of the Legislative Council of India, on the eleventh of February one thousand eight hundred and sixty-one, gave notice, in writing, to the Bank of Bengal, that from and after the expiration of twelve calendar months from the date of the said notice, the Bank of Bengal and its then powers and authorities would be modified, and by Act XIX. of 1861 the powers and authorities of the said Bank have been accordingly modified, as by that Act appears: And whereas at the time when the said notice was so given negotiations and arrangements were pending between the Governor General of India in Council (acting in the premises on behalf of the said Secretary of State) and the Directors of the Bank of Bengal, having for their object the transfer to the said Bank of the business of the Government Treasuries at Fort William and elsewhere in the Presidency of Fort William and the Provinces annexed thereto, and the superintendence and management by the said Bank, for the Government of India, of the issue of the then proposed Government Paper Currency: And whereas the general terms of the said proposed arrangement have now been finally settled and agreed upon between the Governor General in Council and the Directors of the said Bank, and by the said Act of 1861 the said Bank have been empowered to enter into an Agreement in that behalf with the said Secretary of State in Council: And whereas by Act XIX. of 1861 of the Legislative Council of India provision has been made for the issue by the Government of India of Promissory Notes payable to bearer, on demand. Now this Indenture witnesseth, that for the purpose of carrying out the said arrangement, and in consideration of the payments and covenants hereinafter respectively mentioned and contained, and by, and on the part of, the said parties to these Presents, respectively, to be paid and performed, each of them, the said Secretary of State in Council and the said Bank of Bengal doth and do hereby for himself and themselves, and his and their respective successors, covenant and agree with the other of them and their and his respective successors in manner following (that is to say):—

First.—From and after the day to be appointed by the notification mentioned in the 10th paragraph of these Presents, the business of receiving

and paying money on behalf of the Supreme Government of India and the Government of Bengal, heretofore transacted at the General Treasury at Fort William, shall be carried on and transacted by the Bank of Bengal, subject to the provisions of this Agreement, and to such orders and directions with regard to receipts and payments as may, from time to time, be given to the said Bank by the Governor General in Council or any of the Officers of the Government of India authorized in that behalf, and for the purpose aforesaid, such account or accounts shall be opened in their books by the said Bank with the Government of India and Government of Bengal, as the said Government of India shall, from time to time, direct.

Second.—The Cash Balance now in the General Treasury shall, from and after the day appointed by the notification aforesaid, be deposited with the Bank of Bengal, who shall also hereafter receive and hold for the said Government of India and Government of Bengal, respectively, all moneys and balances which, but for these presents, would have been received or held by the said General Treasury, and the Bank shall transact, at their principal Office in Calcutta, all such business for the Government of India and Government of Bengal, respectively, regarding the receipt, collection, payment, and remittance of money and securities and other matters, as is usually transacted by bankers for their customers.

Third.—That from and after the day appointed by the notification aforesaid, the said Secretary of State in Council shall pay to the Bank the actual costs and expenses of packing and shipping specie remitted under the preceding clause, and for which costs and expenses Contingent Bills shall, from time to time, be submitted to the Civil Pay-Master, Fort William, for the time being, and be passed by him, on approval, and the said Secretary of State in Council shall, from and after the last-mentioned day, further pay or cause to be paid to the said Bank the yearly sum of Rupees forty-three thousand, six hundred and six in full of all costs and expenses attendant on the maintenance by the said Bank of the establishment of clerks and servants necessary for the carrying on of the said Government Banking account and business, and the Bank shall not charge any interest or commission on the said account, except under such arrangement as in the next following clause mentioned.
